Newsletter – Summer 2017

Please help support our Schools Liaison Crowdfunder Campaign. We have been working very successfully with local Primary and Secondary schools in Hyndburn, to empower pupils to become better Global Citizens. However, we need further funds to continue to the end of this educational year! Please visit our crowdfunding page to watch the video and learn more - <http://www.crowdfunder.co.uk/school>

Choose one of our brightly coloured, eccentric Huzzah hats made in northern Thailand, using a huge amount of thin layered strips of material that have been carefully stitched together into this pointy, bonkers design! Complete with a semi pom-pom top and cords to secure the hat under the chin, all the coloured strips vary so no two hats are quite the same!

We have a collection of large, hand painted, Balinese made butterfly kites in bright vibrant colours. These come with a wooden handle and twine. Kite making and flying in Bali has a long history and often has spiritual connections. These are great to take along to summer festivals!

Non-greasy organic Aloe Vera Gel is great for soothing dry and sun damaged skin.

A handy 4 pack of Fentimans Natural Ginger Beer to take to a picnic or festival.

A botanically brewed Ginger Beer with a complex taste. Made using the finest natural ingredients with ginger root from Asia, which is fiery and full of flavour!

Revisit that second summer of love and get raving with this Fair Trade smiley face tie dye tee!

## WHAT'S ON LOCALLY?

Cloudspotting Music and Arts Festival is a long summer weekend retreat for a few hundred people organised by a bunch of friends and festival enthusiasts. Cloudspotting takes place at Stephen Park, a rambling 16th century farmhouse set in several acres of clearing in the beautiful Gisburn Forest in the Forest of Bowland (NE Lancashire), an area of outstanding natural beauty. The site offers complete seclusion and a safe, family friendly environment.
