We wanted to share the GOOD NEWS that the lovely people at Maundy Relief have been awarded £150,000 grant from the Garfield Weston Anniversary Fund!

The money is for essential renovation works to their flagship building, Maundy Grange. Work will include a ground floor kitchen and dining space, a meeting room, refurbished offices/ counselling rooms, as well as central heating!

Also, a reminder that we have a **foodbank collection box** in the shop for Maundy Relief and we encourage ALL our members to contribute something – especially before Christmas. Thank you.
