## Welcome to our new shop manager!

A very warm welcome to Kerry Gormley who has taken over from Leah Whittaker as shop manager, now that Leah has started her maternity leave.

Kerry has been involved with One Planet since the start and has been a regular volunteer as well as a director. We wish Kerry every success in her new role. Kerry's pictured here wearing some lovely woolly socks that she got from One Planet!

## New products in store

### Big Bronte Browns – organic free range eggs

from Yorkshire. Already very popular with customers, these are large eggs, (sometimes double yolkers!). During daylight hours the hens range freely on organic pasture. At night the hens rest in warm barns safe from predators. The hens are fed on an organic cereal based diet.

**Proganic superfruit organic health shots** available in cranberry, pomegranate or fig. Free from additives, gluten free, no added sugar, not from concentrate and high in antioxidants.

### Fairtrade chindi rugs

these 100% recycled cotton rugs are made in Udaipur, India on a fairtrade basis. Discarded cotton clothing is washed, dyed and woven into colourful rugs.

## Get your everyday essentials at One Planet

One Planet's aim is to make a profit so that this profit can be invested back into our community.

So please keep One Planet in mind as a place to come and shop for everyday items like washing-up liquid, loo roll, salt and baked beans. We do have fabulous fairtrade gifts and wonderful local products - but we also have a wide selection of everyday things that don't cost the Earth.
