Season's greetings from your local community owned co-op

Winter cordials to warm your cockles

New in - Belvoir 'Apple, Cinnamon and Plum' cordial and 'Honey, Lemon and Ginger' cordial. Try them with hot water. We think the honey, lemon and ginger cordial would be a great soother if you're suffering from a cold or sore throat, or a lovely non-alcoholic drink for your guests.

One Planet cookbook

A perfect gift idea, the One Planet cookbook is a compilation of recipes from local people, and is illustrated by One Planet member and artist, Cherie Deakin. Can you recognise anyone that you know in the cookbook?

One Planet is a great place to do your Christmas shopping and we have some wonderful and unusual gift ideas. Have a fairtrade Christmas that doesn't cost the Earth, and help to support a local, ethical business at the same time.

Fairly traded hand knits

Choose from slipper socks, hats, socks, leg warmers or gloves. Great for snuggling up in on chilly nights, who wouldn't appreciate a woolly warmer in their Christmas stocking?

Spice up your Christmas!

Aqua Oleum Christmas Blend Oil - for use in vaporisers and on pot pourri, the fragrance conjures up the magical essence of Christmas with the oils of frankincense, myrrh, cedarwood, cypress, pine, orange and clove bud.

Suma 3 Christmas Spices

Cinnamon, cloves and nutmeg in a presentation box.

Hambleden Herbs Frankincense & Myrrh - made from tree resins with an extraordinary aromatic fragrance.

Support your local shop and football team

We've now got reusable One Planet/Accrington Stanley cotton shopping bags which have been donated to us by local business man, John Norris, who is a volunteer director with One Planet and with Stanley. John's been a Stanley supporter since his childhood.

Shop Local campaign

We're taking part in the Accrington Observer's Shop Local campaign again this year. Bring your Shop Local card into the shop to qualify for special offers and discounts.

Keep your fires burning over winter

We sell wood sourced from 'Woody', the social enterprise which One Planet Director Mike Stapleford has helped to set up through his role at the Prospects Foundation.

Our second birthday party

Thanks to everyone who came along to our second birthday party. The shop was packed with people and there was a brilliant atmosphere. We were entertained with live music from local band 'The Cultivators', whilst enjoying freshly baked cakes, and delicious hot mulled cider. We even had a fire in the garden at the back of the shop.

Festive foods to feast upon

We stock a range of festive foods and drinks, including stuffing, cranberry sauce and mulled wine and cider spices. Making your own Christmas cake or Christmas pudding? Then we've got lots of fairtrade and organic ingredients such as sultanas and nuts. Pop in store to see our full range.
