Would you like to join the One Planet family and become a member?

One Planet is a co-operative with 155 members that was set up in 2010 by a group of Hyndburn residents wanting to create a high street venue where people could have the opportunity to shop more ethically.

Our ethos for the products we sell at One Planet is Local, Ethical, Fairtrade, Innovative, Sustainable and Natural Wellbeing.

As well as running our shop we also undertake 'outreach' work in our local community. Over the years this has included making films, work to help people overcome social isolation, running workshops in local schools looking at issues surrounding consumerism and more recently running fun sessions on healthy eating for residents living in sheltered accommodation in Hyndburn.

If you would like what you see and hear about One Planet then you're welcome to join us and become a member. We're always looking for new members and to increase our membership as we feel it's healthy for One Planet to represent as much of our local community as possible.

You'll also receive a membership card which rewards you when you shop at One Planet.

All you need to do to become a member is buy at least one £25.00 share in One Planet (you can purchase more if you would like). However, we do operate on a 'one member one vote' policy.

If you have any questions about becoming a member of One Planet or would like a copy of our Annual Accounts or Rules please visit the 'Governance' page on our website at www.oneplanet.coop or contact the shop on 01254-383604.

Yours faithfully, Mike Stapleford (Company Secretary)

21st August 2018
